2. Reasons for the Disposition

The Fund has continuously replaced assets as an external growth strategy mainly by acquiring sponsor developed properties and selling properties where there are concerns about their future competitive advantage.

The Fund decided to implement the Disposition as part of such asset replacement pursuant to comprehensive consideration of the possibility of a future decline in competitiveness as well as rising repair costs as the building ages. Furthermore, it was determined that the sale agreement associated with the Disposition (the “Sale Agreement”), where the transferee is the Sponsor, Nomura Real Estate Development Co., Ltd., is in the Fund’s interest as the Sale Agreement will stipulate that the Fund shall be afforded priority negotiation rights should Nomura Real Estate Development dispose this property in the future, including after the property has been redeveloped by Nomura Real Estate Development.
